## BANDING TOGETHER 2008

THE 5TH ANNUAL BATTLE OF THE LAW FIRM BANDS!

On Thursday, June 19, 2008, the fifth annual BANDING TOGETHER 2008: Battle of the Law Firm Bands will rock the house at The Black Cat. The event, presented by Gifts for the Homeless (GFTH), will feature **TEN AWESOME BANDS** from 7:00 pm to midnight.

**100%**

of the proceeds  
received by GFTH  
from this event  
will be used to help  
the homeless in the  
DC metro area.

Representing the legal community of the DC metro area, GFTH raised nearly \$80,000 last year at Banding Together 2007. The house was packed from start to finish with fans from law firms and other legal organizations (and their friends and families) across the city. They came to listen to great music and cheer on their favorite bands through “Chicago-Style Voting” in a competition for the championship trophy. The band whose fans contributed the most money at the event (at the “Buy-The-Vote” table), was declared the winner.

Remember: 100% of the proceeds received by GFTH from this event will be used to help the homeless. GFTH supports over 70 homeless shelters, soup kitchens, and transitional housing with new and used clothing. The proceeds from Banding Together 2008 will be used to purchase essential new winter clothing items for homeless men, women and children – such as blankets, thermal gloves, thermal socks, knit caps and sweatshirts, to help make the winter months a little warmer. GFTH, an all-volunteer organization, has been helping the homeless in our community for more than 20 years. Because GFTH has no overhead (its costs are covered by law firms and members of the board of directors), it is able to use every penny received to purchase the new winter clothing items.

GFTH has been recently featured in the book "Lawyers Working to End Homelessness," published by the American Bar Association's Commission on Homelessness and Poverty. For more details about GFTH and what you can do to support Banding Together 2008, please visit our website: [www.gfth.org](http://www.gfth.org).
